Becoming a Hair Stylist

Are you _____ begging your friends and family members to let you _____ or style their hair? Have you _____ your hair more in the past month than most people do in a lifetime? Well, have you ever thought of directing all that _____ into a future career?

There are many hairdressing schools all over the world. The training course to become a _____ hairdresser often takes less than a year. You also must take specialized _____ for different styling _____ like _____ and hair coloring.

Some of you can enter a college or a technical school to get the profession of a hairdresser. It usually takes three years _____ such educational establishment.

On one hand, You'll get the ability to make _____ or hair dresses all day. When _____ are happy with their hair, they will come back and bring all their friends with them.

On the other hand, you have to think about all the time hairdressers spend on their _____, nearly eight hours a day.

Sometimes, you'll have a recipient, disappointed with his or her hair, so you have to _____. So you'll lose money and possibly even the client, who may go _____ a new hairstylist.

_____ of a hairdresser depends on which salon they work at, how many regular clients they can _____, and what the client wants done to their hair. Potentially a hairdresser can make up to \$100 per client.

So if you think that hairdressing is the career for you than you may enter haircutting course, take weekend classes, enter the college or technical school.
