Subject: Safety Equipment

Dear Site Managers,

Last week, an employee was injured. A cement block fell and broke his toes. We want to avoid these injuries.

Remind all employees to wear personal protective equipment (PPE). To enter the construction site, everyone needs **steel-toe boots**, **hard hats**, and **safety glasses** or **goggles**. Employees need to wear **leather gloves** when nailing, doing electrical work, and sanding or cutting wood. **Dust masks** or **face shields** are also essential for wood cutting. **Earplugs** are necessary when working with loud tools like jackhammers. Anyone handling a power tool must also wear **grip gloves**. **Kneepads** must be worn when working on the ground.

Finally, keep **first aid kits** on site. Make sure everyone knows where they are. If we follow these guidelines, injuries won't be a problem.

Thanks,  
Tim Klein  
Owner, Desert Construction
